

Agenda

PA1a Working Group Meeting on Fleet Modernisation

Vienna, 7th March 2019

Venue: TECH GATE VIENNA, Donau-City-Straße 1, 1220 Vienna (Austria)
Sky Stage (19th Floor of Tech Gate Tower)

09:45 – 10:00 **Registration / Welcome Coffee**

10:00 – 10:15 **Welcome and introduction**
Mr Gert-Jan Muilerman, viadonau (PA1a coordinator)

10:15 – 10:45 **Input statements by panellists**
Panellists: *Vera Hofbauer, Juha Schweighofer, Manfred Seitz, NN*

- Overview of future emission norms and regulations
- Overview of most promising fleet modernisation technologies
- Specific challenges for the Danube fleet: the industry's perspective
- Experiences with fleet modernisation measures in Austria

10:45 – 11:45 **Moderated large group discussion with panellists and audience**
Leading questions:

- What is the level of ambition (e.g. regulatory or industry needs) for Danube fleet modernisation?
- Which types of technologies are regarded as most promising and effective in relation to the defined level of modernisation?
- Which specific challenges does the modernisation of the Danube fleet face and how can they be overcome?
- What are the most important lessons learnt from previous fleet modernisation programmes?

11:45 – 12:00 **Summary & wrap up: towards an implementation strategy**
Mr Gert-Jan Muilerman, viadonau (PA1a coordinator)

12:00 – 13:00 **Lunch offered by PA1a**
